This is Albuquerque!

1p.m. – 5p.m.

\$89

Experience the cultural richness of Albuquerque on this comprehensive narrated driving tour. Discover the city's evolution from historic Old Town (1706) with some time for shopping to the neon nostalgia of Route 66 (1926-1986). The tour features a special stop at the National Hispanic Cultural Center to admire the *Mundos de Mestizaje* fresco, a stunning 4,000-square-foot masterpiece housed in the Torreón. Experience the profound spiritual significance of the petroglyphs at Boca Negra Canyon, a living link to Pueblo ancestry. Along the way you will earn your title as an honorary *Burqueño*.

Acoma Pueblo "Sky City"

10a.m. – 4p.m.

\$113

Enjoy cultural narrative as we journey one hour west of Albuquerque to a true National Treasure: the Acoma Pueblo. Located on a 70-acre mesa nearly 400 feet above the canyon floor, this 'Sky City' has been continuously inhabited for over 1,000 years. An Acoma guide will lead us through the ancient earthen streets, sharing stories of a community that maintains its heritage without electricity or running water. Following our tour there will be time to visit the museum and gift shop in the Sky City Cultural Center and we will cruise a portion

of Historic Rt 66 on Laguna Pueblo land on our way back to Albuquerque. **NOTES: This is an outdoor event, be prepared for hot and cool temperatures to occur within the same hour. Wear comfortable shoes, the mesa top is uneven rock and sand.** Photo credit: Tour New Mexico
